NAUGHTY TEENS HAVING IT OFF? WELL ALRIGHT THEN, IF YOU INSIST! WHY NOT DROP US A LINE IF YOU'RE A MUCKY TEENIE – OR IF YOU'VE JUST SCREWED ONE?!

DEAR TEENS UNTAMED,

In recent weeks you could say that my wild sex life has seen me become something of a 'daddies girl'. Before you guys get too worried you should read the rest of my story. My name is Claire, I'm 18, I love cock, and I have shoulder length dark brown hair, a slim petite figure and a nice round pair of tits.

It all started one night a few weeks ago. I'd been round at my mate Chloe's house when I realised I'd missed the last bus home. Rather than order a taxi, Chloe's father Geoff offered me a lift back to my place. Now, I'd caught 38-year-old Geoff giving me the eye on a few occasions and that evening he seemed quite taken by me wearing a skimpy lemon top and a tight blue denim miniskirt. As he drove me home I got excited when I noticed his raging hard on in his trousers as he stole glances of my tanned bare legs and naked thighs.

As he pulled up outside my house I astonished him by offering him a blow-job. Unzipping his trousers I pulled out his lovely big hard cock and just yards from my front door I sucked Geoff off, whilst he slipped a hand inside my panties and finger fucked my hot juicy pussy until I came. I wanked the base of Geoff's shaft as I vigorously gobbled the swollen purple head of his cock until he groaned in pleasure and shot his creamy spunk down my throat. After I'd sluttily licked his cock clean I said goodnight, promising him full sex the next time, and went in to my house still savouring the taste of his delicious come on my lips.

A few days later I went to my best friend Julie's to pick up some books. Her dad Peter, who is about 40, answered the door and told me that Julie had gone shopping with her Mum. I giggled as Peter had been getting some shuteye after working a night shift and was wearing only a pair of boxer shorts. He looked a bit bleary eyed at first, but he soon perked up at the sight of me in my half unbuttoned white blouse, and tight black miniskirt over some sexy black stockings. As I knew what I was looking for, Peter asked me in. I could clearly see his hard cock already straining at his shorts. As he followed me upstairs I could sense his eyes staring at my firm bottom as it pushed against the material of my tight little skirt. In Julie's bedroom I found what I was after. "Peter," I said saucily, "Would you like to show me something?" I added, with a knowing grin. Before he could reply, I knelt at his feet and swiftly yanked down his shorts, exposing his swollen and throbbing cock. "Ooh my, what a big boy you are, Peter!" I gushed as I stroked and licked his monster dick and fondled his balls.

He was starkers and I was still fully dressed as I opened my mouth and clamped my lips over his tasty rigid shaft. Whilst I pumped my lips up and down his veiny shaft I wanked the base of his knob – it was unbelievable to be sucking my best friend's Dad off in her bedroom! Peter gasped and moaned in pleasure and stroked my dark brown hair as I gleefully sucked and slurped on his straining dick. Looking him straight in the eye as I gobbled his knob, his cock suddenly twitched as he reached his limit, emptying the full creamy contents of his balls into my cock hungry mouth. Pulling my head off his still convulsing cock, even more thick wads of his hot, sticky white jizz jetted all over my face and even landed in my hair.

"Mmm delicious," I purred as I got up. I was as horny as fuck and so suggested that we have sexing Julie's bed, but he drew the line on that one and led me through to his bedroom. I stripped off to reveal my ripe round tits, cute little bum and shaven pink pussy. Lying back on the marital bed I was naked except for my navy blue tie, which hung loosely around my neck, my raunchy black stockings and suspenders and a white suspender belt. As I opened my legs wide for him, Peter finger fucked my hot wet cunt and tickled my sensitive clit with his tongue. As he licked me out I squeezed and fondled my firm young tits and screamed and writhed in pleasure as he brought me to four powerful orgasms. Kneeling between my legs, Peter wrapped my black stocking-clad thighs around his hips and slid his hard cock all the way inside my tight pink hole. He pumped his cock into

DEAR TEENS UNTAMED,

I don't know if this makes me a perver! or not, but I've got a real thing for girls bumholes. I've never been lucky enough to actually have anal sex with a girl yet, but I know that when I do it'll be amazing. Until then, please make sure you carry on printing plenty of pictures that feature the girl's bums, like the one of Abbie on page 77 of your most recent issue. I've spunked loads over that picture, imagining myself sliding my fat prick into that tight, puckered anus of hers and fucking her stupid – in fact I think I've had more pleasure, pound for pound, from my last copy of *Teens Untamed* than I have ever had from anything else. More bums please!
Steve, Norfolk.

me really hard and fast and deep and the stopped suddenly and told me to get on all fours. Raising my bottom in the air and spreading my legs, my cunt was again filled by his swollen shaft as he screwed me doggy style, reaching round me to massage my clit a she fucked me. "Aaah fuck yeah", I puffed and panted, "Give it to me good and hard", I gasped as Peter powered his rock hard cock in and out of my soaking wet hole. Minutes later he erupted inside my sodden pussy making me whimper in sheer ecstasy as his hot come surged into my wanton teenie twat. He pulled out and I felt some more of his warm sticky jizz splatter on to my bum cheeks, slither down the backs of my thighs and on to the tops of my earthy black stockings.

A further opportunity arose about a week later. Mark, 39, is the father of Elaine – a girl who could be a bit of a prude at times. However, Mark, a plumber, is best of mates with my Dad and had called round to repair a leaky tap. I was home alone and he looked completely gobsmacked when I answered the door wearing just some tight red PVC hot pants and my tits bursting out of a miniscule matching bra top. I smiled knowingly as he stared longingly at my nearly naked firm young body. Even with me providing a distraction Mark carried out the repair in about ten minutes. "Now you can let me see your hard cock, Mark" I smiled sweetly

♣ STUDENT ♣

It's always nice when a girl appears to be totally relaxed about taking her clothes off in front of you, but Jemma here took things to extremes rather – she couldn't stop giggling! Every time we asked her to do anything – take her top off, lie down, turn around so we could take a few pictures of her peachy bum, she'd start tittering! Well, to begin with it was a bit unnerving, but after a while we couldn't help joining in! But what, exactly, was so funny?!

"Oh, I don't know, maybe it's just nerves or something, but really, I find the idea of guys looking at my bumhole pretty funny. I went to a pretty strict sort of school, where we had to keep totally covered up – even in front of the other girls – so maybe it's also the thought of what my old teachers would do if they could what I'm doing now!"

Well let's hope none of them are reading the magazine, then…

"Oh, I doubt it – it was a religious school, and, well, I can't really imagine any of them looking through a magazine like *Teens Untamed*!"

You'd be surprised, love! Still, the important thing is that you're enjoying yourself, and we're certainly enjoying ourselves looking at you, so everyone's a winner!

PROM BALLED!

OH DEAR, IT LOOKS LIKE IT'S THE TIME OF YEAR WHEN ANOTHER CLASS IS READY TO GRADUATE WITH DISHONOUR FROM THE NATION'S FAVOURITE HAPPY FINISHING SCHOOL. TEENS UNTAMED THOUGHT WE'D SEND OUR ROVING REPORTER ALONG TO MAKE SURE THE GIRLS' STANDARDS OF BEHAVIOR ARE AS LOW AS WE'VE COME TO EXPECT...

YOUNG HARLOTS: NAUGHTY TUTORIALS ON-SET
Starring: Victoria Blaze, Linet Slag, Kristina Crystalis, Brooklyn Lee, Shay Hendrix, Ruth Medina.
Directed By: Gazzman.

Ah, girls will be girls, we guess!

It's raining as I head towards the location in my taxi, and I think how lucky it is that today's shoot is inside. It's relatively early – only 9:35am – and despite having left my house nearly 3 hours ago, I still haven't quite woken up yet. We pause at some large, iron gates, my driver buzzes the intercom and the gates begin to slowly open mechanically, to reveal an imposing country mansion. The whole scene reminds me of something out of a horror movie, but I try to shake the feeling as we pull up outside the front door. As the taxi disappears, I rub the sleep from my eyes and go to ring the doorbell. Unnecessarily, it turns out, as the door swings open before my foot touches the top step. "Hello, mate! You're right on time!" Standing before me is Scottish director, Gazzman; a ball of energy dressed in a T-shirt and baseball cap, and one who immediately treats me as though we've met a number of times before. We haven't.

He ushers me into the kitchen-cum-make-up-room and yells for the runner to sort me out with a cuppa, for which I'm immediately grateful. He introduces me to the crew, but the names go by in a blur and I struggle to remember even one of them. Gazzman then heads towards two stunning girls, dressed in towelling robes, sat at the other end of the room deep in conversation in what turns out to be Czech. "And this," Gazzman sweeps his arm towards them, "is the talent. Kristine and Victoria will be doing today's shoot, a threesome..." The girls nod nonchalantly in my direction and Gazz is off again, explaining the idea of the movie they're working on, *Young Harlots: Naughty Tutorials*, and telling me about the previous day's shoot – a lesbian threesome with Shay Hendrix, Medina Rus and American honey Brooklyn Lee. I nod along like I'm listening, but all I can think about is the way Kristine Crystalis' robe was slightly gaping, hinting at the gorgeous physique underneath. Being a porn connoisseur, I recognise her immediately, but the other girl, Victoria Blaze, was an intriguing new face. I later find out that she only started out a few months ago, and today is her fourth shoot. I'm looking forward to seeing her in action.

Pleasantries over, the crew get themselves into work mode, and I find myself a suitable position to lurk in the bedroom

The scene opens on both girls sat on the bed, playing with a couple of dildos – as I expect all college girls do. I've never really understood the logic of girls sucking dildos off, but as I watch those bits of plastic disappear inside each mouth, I begin to see the appeal. Suddenly, George bursts in to the room, catching the 'naughty' girls fellating the said toys and joins in for a while, helpfully feeding the pink phalluses into their awaiting mouths, before moving Victoria's arse to the edge of the bed, kneeling George standing behind her, poised and ready for action. As soon as the cameras roll again, he slides inside her easily and screws away.

After a few thrusts, it's obvious that her perfect bum is just too tempting and, as Kristine sucks her mate's nipples, George pulls out and pushes slowly into her arsehole. The cameraman zooms in, so I crane my neck to see the close-up on the monitor as his rod disappears slowly but surely into her back passage. Once inside up to his balls, he begins to pump in and

"I crane my neck as his rod disappears slowly but surely into her back passage."

that's being used for today's location. I've just found myself a safe spot behind the director's chair (with a perfect view of the monitor), when super-stud George Uhl (in full headmaster's garb) strolls in, seemingly relaxed with a broad grin on his face – and who can blame him? I've seen George on previous shoots, and he appears to recognise me, nodding in my direction. I feel like I've been accepted, or something, and beam back, feeling only a little weird that I'm about to be watching his cock in action.

The girls wander into the room, chatting between themselves until George joins in and only then do I realise that he, too, is from the Czech Republic. I drink the models in; they are around the same height, with natural curves and pretty faces, wearing school uniforms comprising tight, white shirt, bum-skimming skirt, and knee socks.

Once everyone has finished setting up, Gazzman gets serious and filming begins.

down and burying his face into her crack. Victoria, in turn, positions herself between Kristine's legs and, pulling her knickers to one side, starts lapping away at her pussy.

The pro that he is, I don't even notice George disrobing, but when he stands again I realise he's down to his trousers, with his erect cock standing proudly to attention through his undone fly. Smoothly, they too come off as he repositions Victoria's rear end again, and, as she fucks Kristine with the pink dildo, George's cock disappears deep between Victoria's puffy fanny lips. As I watch the action, I feel two pangs – one of jealousy and one of enormous lust and I shift around in my seat as I feel my dick twitch and stir.

I'm almost relieved when the Gazzman yells, "Cut!" and the talent are repositioned. This time Kristine is on the receiving end, her gorgeous rear end hanging off the bed, out like he's doing her fanny again – I wince, half expecting her to start screaming at any moment, but she's moaning and groaning with pleasure. What a gal! Without warning, he slips inside her pussy for a couple of pumps, and then moves back to her bum again. It's enough to re-awaken my prick, which has gone past stirrings now, and heads straight to the semi stage. I figure as long as I stay totally still, nobody will notice.

The next sight I'm treated to doesn't help my semi-on any – George lies back on the bed and pulls Victoria on top to fuck her in cowgirl. Kristine heads towards the business end of the pair and greedily pulls him out of her pussy to taste the juices, then pushes him back in her friend's cunt. She repeats this a few times, and just when I think the day can't get any better, she gives him a suck before inserting his tool into Victoria's arse. I think I must have

made a noise, because the sound guy looks pointedly at me, but I can't help it. That Kristine is one filthy bitch! Time and again, she orchestrates her mate's arse fucking, before taking him in her mouth and giving him a good chew. Having never seen an actual A2OTGM (arse to other girl's mouth) in the flesh, I'm mightily impressed, and try to save the image to my mental wank-bank, for future reference.

By the time they move, my dick's so hard it's uncomfortable. Again, I mentally try to shake myself out of it and tug at my T-shirt as if to make long enough to cover my bulge, which it doesn't. When I glance back up, the girls have gone from taking it in turns to nosh and deepthroat George's dick, to manoeuvring themselves into their next position. This consists of Kristina being fucked in spoons, with Victoria squatting over her face, holding the headboard to steady her, while demanding her pussy is licked. I'm happier, as I don't have to crane my neck for a perfect view, and on the screen, we are treated to the shot of the day as the camera zooms in for a penetration close-up. At first, George screws her vaginally but then, again without warning, he slips inside her bumhole and pumps away. As he stretches her cheeks apart and ploughs in and out, she groans and writhes around, trying to lick Victoria's pussy, which is still hovering above her.

After a couple of minutes, Victoria, obviously not getting the attention she desires, bends over at the waist and gives us the second A2OTGM of the day, much to my delight. These girls are hot! I wonder how it would go down if I strip off and joined in, but think better of it and settle back against the wall instead, feeling positively green with envy.

As though George can read my mind, he commands the girls to now get on all fours, side-by-side, at the edge of the bed. My envy turns to pure jealousy as he first inspects and tastes each girl's backside before plumping for Victoria's rump to violate. Straddling her, he fucks away like a dog, pulling out to leave her gaping before plunging back in again. I realise I'm holding my breath and exhale.

Next, he switches to Kristine, repeating his previous action and making her moan loudly. I had to look away for a second to refocus, as I could feel myself starting to sweat from the intensity my brain was giving to the image in front of me!

When I look back, Kristine is lying back on the bed and Victoria is on top of her, legs akimbo, giving George complete access to all their orifices, and us a great view. Unsurprisingly, he wastes no time, jumps in behind them and gets his dick wet in each girls' pussy, in turn. As I watch on the monitor, I consider again what a lucky bastard this bloke is. What I wouldn't give to swap places with him right now! Just as I'm thinking that it's a wonder he hasn't come yet, he pulls out of Victoria's shaven haven and a jet of white cream shoots across both girls, covering them both in his goo.

If that isn't enough, the girls then spend a good five minutes lapping his jizz up – both from his deflating prick and each other's gorgeous bodies. I wonder if it would be bad form to sneak out of the room and go to the loo for a tommy, but as everyone else in the room is still enthralled with the ménage a trios, I feel obliged to do the same. So instead, I lean back against the wall and imagine what it must be like to be George Uhl for a day...

"He tastes each girl's backside before plumping for Victoria's..."

What on Earth would Michael Gove have to say about this sort of thing?

It's Uhl in a day's work for George...

What a fresh-faced lovely Lancashire lovely Vikki here is! Why it does us good to see her – especially once she's wriggled out of her clothes and is giving us an eyeful of that succulent snatch of hers! Why even just the aroma of it has got our taste buds tingling… but does the girl herself like it when a fella makes a meal of her…?

"I have to say, I was a bit hesitant the first time," she confessed. "Apart from anything else, I couldn't really believe that he'd want to do it – I mean us girls are always being told it's dirty down there, and the fact that my boyfriend at the time wanted to lick me out seemed pretty pervy, really."

But did you change your mind once you'd experienced it properly?

"Of course I did! God, suddenly I realised why women seem so obsessed with it all. The feelings as his tongue slipped between my lips was incredible, and ever since then I've been a massive fan!"

Good news! Right then – any volunteers?

When Daddy's Away

(Digital Playground)

Anyone else think it's a little bit creepy for porn stars who screw each other in a near-daily basis to play parents and children in a feature film? Me too, but that hasn't stopped Digital Playground with this flick, in which Tommy Gunn plays the father of cute little Riley Steele. He's off on a business trip and before he goes gives his little girl some sage words of advice about not getting mixed up in any hanky-panky while he's away. Well, guess what – she heeds not one word of it, and along with her chum April they start renting out the house as some sort of teenie knocking shop, *Risky Business*-stylee. Typically high end Digital Playground couplings abound, and even Daddy Gun gets in on the action upon his return, the dirty reprobate!

10 British Teens

(Private)

Private isn't really one of the labels you associate with British strumpets, but they've clearly employed a few over the years, and realising that they'd got up to double figures with UK young 'uns, they did us all a favour and bundled the scenes together for this offering. The girls might be British, but the locations tend not to be – at least there's none of the rather cramped domestic stuff that typifies home-grown grumble. First off we're on a tropical island, where Leigh Logan and K(e)isha Kane. It's a bit windswept, but the girls don't let that put them off as they get some cock (including a painfully sandy looking bumming for Leigh). Estelle's scene looks a bit vintage, but a brutal backscuttling for Isabel gets us back on track. There's loads more – including Poppy Morgan, Renee Richards and Lolly Badcock...

Tight & Fresh 5

(Adam & Eve)

I don't know about you, but a flick that features no fewer than eleven scenes in four hours or so of red hot teenie action sounds like it might be more than flesh and blood can stand, so I've dipped into this one judiciously over the last few days and can now report that it's got plenty of cuties getting pronged just the way they should be. Particular highlights for me were Isabella, who blows a few bubbles before laying on a saucy tease. Her puffy pussy looks good enough to eat, which is just what her stud does before ramming his cock home. Cracking stuff! Throw in some squirting from Alexis Ford, some anal from Liv Wylder and a poolside pounding for April O'Neil and what's not to like?

Couples Seeking Teens

(Adult Channel Uncut)

As you might just have twigged, this one revolves around the notion of a horny older couple inviting a teen to join them for a bit of threeway fun, although when you've got a horny young teenie to hand, goodness knows why you'd want the missus hanging around trying to get a bit of the action as well! Still, it takes all sorts, and the couples do their best to act natural as they surf contact sites and pick out teenie flampers they like the look of. As you might expect from home-grown grot, the locations are a bit on the cramped side, but it all seems to add to the fun as the trios get down to business. The last scene's probably the hottest for my money, but there's not much to call between them. **Available from your local sex shop.**

College Girls Versus College Guys

(Private)

From the title, and the sleeve, you might be forgiven that this Private flick might involve a fair bit of 'High School' shenanigans – cheerleaders, exams, proms, etc. – interlaced with a goodly bit of hardcore fucking, but not a bit of it! In fact it's an altogether darker affair that involves gang of armed, beanie-hatted ruffians bundling into a cabin that's home to a lot of sexy young flampers, tying their hands and, well, having their way with them. Hmm, not particularly PC, but the sex seems consensual enough once it kicks off – Aleksa Diamond's always worth watching and she's scorching hot again here, and the DPs dished out to Mandy Dee and Roxy Taggart are scenes that linger long in the memory. And it turns out it's all a set-up, so all's well that ends well!

Young Harlots: Naughty Tutorials

(Harmony)

Ah, well it really wouldn't be a new edition of *Teens Untamed* without a review of the latest Young Harlots flick, would it? The set-up's much as it always is – a selection of comely flampers in their finishing school uniforms being put through their paces by a selection of ludicrously lucky studs pretending to be teachers (as well as lezzing up with each other now and again). This one ticks all the boxes, and boast a cast that includes Brooklyn Lee, Linet Slag (yes, really!), Shay Hendrix and Victoria Blaze. Ever scene crackles with sexual energy, with especial mention going to Kristina Crystalis for the threeway dicking she takes in the final scene, and to Victoria Blaze for managing to fit Danny D's bloated knob up her jacksie without wincing. Really, though, it's all good!

Mother Daughter Exchange Club 21

(Girlfriend Films)

Not having seen the previous 20 instalments, I was a bit worried about not being able to catch up on the plot, but really I needn't have worried. It's clearly aimed at women - things kick off with a conversation about drapes (i.e. curtains) and how nice it is to live in a certain neighbourhood. Ah, one couple want to share the house of mum and daughter pairing – and to seal the deal they all start lezzing it up! So what follows is plenty of teen on MILF action, with plenty of tongue and finger action, but not much in the way of toys or anything. After a lot of hi-jinx by the pool the mum's both team up with a couple of the daughter's chums, too, and teach them all about masturbating. Didn't really make me want to, though...

Fresh Booty 2

(Elegant Angel)

As savants of American parlance will be aware, booty doesn't just mean the box of gold and jewels a pirate might happen across on his travels – it also means a girls bum – especially a great big curvy one! And sure enough, the 6 girls who feature in this Elegant Angel offering are all well enough endowed in the rump department. Raven haired Rose from the first scene (that's her, on the cover) probably has the pick of the crop – giant Alexis Texas sized glutes that wobble deliciously when she's being poked, although tattooed Vero runs her a close second. Fresh young things with bums you could really hang on to getting poked silly by cameraman/stud/director LT – it certainly helped while away my evening!

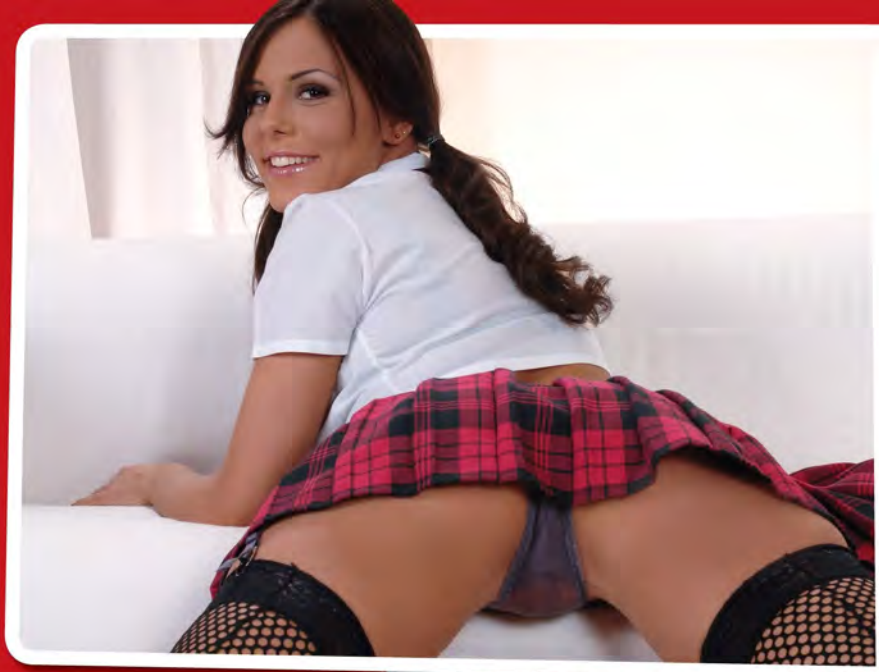
MELANIE

PHOTOS: DDF



We've been lucky enough to hook up with some pretty mucky minded young strumpets in the last couple of years, but Melanie here really has to merit a place on the honours board! She really couldn't leave herself alone, pinching and rubbing her nipples and clit and even poking a couple of fingers up her bum at one stage. Can you possibly imagine how hard it was for us, trying to act all professional and 'direct' the shoot while she was carrying on like that? It wasn't long before none of us was thinking straight – let's face it, it's not easy to keep your mind on something when what feels like three quarters of the blood in your body is throbbing away in your knob!

By the time she got the baby oil out and smeared it all over herself we'd given up all pretence of keeping cool – she was plunging her fingers deeper and deeper into her oily snatch, and frankly we defy any man to just stand there and watch that without succumbing to the urge to keep her company in the frigging department. Just looking at these pictures of her again is enough to tip us right back over the edge!

We couldn't help noticing that Annie here was studying tourism management, and wondered exactly what that meant. Will she be luring foreign visitors to our shores by banging on about how great Stonehenge is, or what a lot of shows you can see in London?

"Maybe," she pondered, "but really what I want to do is get a job on some sort of resort overseas. I'm a bit of a sun-worshipper, and although I think Stonehenge and whatever are great, I'd much rather be working somewhere where I can keep my tan topped up!"

Fair enough – sound's like a pretty good plan to us, although now we're on the topic of tans, we can't help noticing you don't have many white bits. Don't tell us you like sunbathing in the altogether?

"Why not? I've never had any complaints, and the sun always ends up making my pussy wet!"

Hmm, where do we sign up for a holiday in this resort, we wonder?

CHERRY PIE

AIMEE NEEDED A BIT OF DUTCH COURAGE BEFORE SHE DECIDED TO GIVE IT A PLUNGE, BUT ONCE SHE'D STARTED THERE WAS NO HOLDING HER BACK...

It's a couple of years since I lost my cherry, but I always think about it often. It happened on the evening a load of us had sat our final A-Level exam and had gone out to celebrate. Because my 18th birthday had been just a couple of days before my exams, I hadn't been able to make a big deal of it, so I had a few drinks coming my way for that, too. In other words, we had a bit of a session in mind!

There were a load of us down the pub, and a lad in my year, Toby, asked could he buy me a drink. He'd never shown any interest in me before then – not many had, to be honest, as I had a bit of a swotty reputation. We were chatting away for ages and he kept buying me drinks – in the end I asked if he was trying to get me pissed, and I was only half-joking. He looked a bit embarrassed and said he wasn't going to try anything on.

"Shame," I said, in an offhand way. By then, most people who were dating were kissing, and a few others had paired up. Feeling a bit brave due to the alcohol, I leaned in and started to snog the face off Toby.

He asked if I wanted to go for a walk with him. There's a country park where I lived at the time, and we weren't the only ones there, but he found us a quiet spot. At first, we just snogged and messed around, nothing major, and I asked him had he ever brought anyone here before. Toby said no, although he admitted that he'd had a sneaky hand-shandy over some bird sunbathing in a string bikini by the lake!

Thinking about that incident was obviously turning him on – when we kissed again he got a lot more hands-on, stroking and kneading my tits, so it felt natural when I felt my way down over his chest and belly, then started rubbing him through his jeans. They were bulging full and I'll admit it was both exciting and weird, feeling a hard cock for the first time.

Soon he was straining so much Toby had to unzip his jeans. I just felt him up through his boxers, and heard him grunt as I stuck my hand inside them. He was so hard and horny, the tip of his prick was all wet and slippery with pre-come.

He followed my lead, working down to my knickers and then inside them. As his fingers sank into my hole, I wasn't sure I liked it – it felt so strange. And when he found my sweet spot it felt too intense, much more than when I had a bit of a fiddle myself. But as he snogged me again I melted and soon found myself relaxing and enjoying his touch.

Now he pulled his fingers out of me, and took a sniff. I wasn't sure how to react to this, but I needn't have worried – he was more interested in the condom he'd produced from his pocket.

I suddenly had a feeling of "Fuck! This is it!" but I knew I could back out but I wanted to. I lay back, wriggled out of my knickers and let him get in between my legs. Looking back, neither of us had a clue – it took him a couple of blind thrusts to get inside me. He felt so big and hard, his cock thumping up against the top of my pussy clumsily, before he put his hand in between us and began to tickle my clit.

After a while it felt like I was going to wet myself, but I'd got this far before from fingering my own fanny. Then, as his prick pumped in and out, I felt my pussy get all tingly, then suddenly start my muscles seized up and began to clench around his dick. He groaned that he thought I'd just come – I may have been a bit inexperienced

> **"He felt so big and hard, his cock thumping against the top of my pussy..."**

but I'd kind of worked that out for myself!

"My turn now," he whispered, and started ramming into my cunt as fast as he could. Then he gave a loud grunt and I felt him jolt inside me, as he shot his load.

After that, we just messed about for a bit. I slid down to have a closer look at his cock, and a bit of a play with it, once the sensitivity had worn off. Within a few minutes, he started to get hard again, swelling up and stiffening in my hand.

We had so many things we wanted to try. He asked me to suck it, and I thought that I'd like to make him climax in my mouth, but he had other ideas. I'd only been sucking for a moment before he said he'd always wanted a go at shagging doggie-style. Obliging, and curious myself, I got on all fours, flaunting my bum at him and feeling tingly with anticipation as I waited to feel his cock penetrate me from behind. I moaned softly as he entered me and louder when felt him tickle my arsehole with his finger. I wasn't ready to let him go up there yet – in fact, I still haven't done full anal with anyone yet – but it felt nice to have a bit of a play.

This time he left playing with my clit to me as he pounded away, and I managed to bring myself to orgasm – another first. He pulled out so I thought he might have come too, but he said that he'd seen a porn film where the bloke spunked on the girl's face and tits, and that was another thing he wanted to try.

I agreed and knelt in front of him as he stood, letting him fondle my boobs as I wanked him off. I could see clear stuff dripping out the end of his dick, but because I was watching so closely, the first big spurt of actual jizz hit me square in the face! I shut my eyes, using my hand to aim him, and when I opened them again, I saw creamy blobs all over my boobs, wet and shiny in the moonlight, and felt them running down my face.

We had a lot of fun that summer, just messing about, but we split up when we went to different universities. I met someone new in freshers' week and though we didn't shag for about a month, I felt really confident about it. There've been a few blokes since Toby, some of them better, but you never forget your first!

Aimee, via email.

We're always interested to lean more about our girls' shaving habits, so when Heidi here pulled those panties of hers aside and revealed a smoothly shaven smoo we couldn't resist asking her what it was that has made her take the plunge in the first place…

"Actually it was one of my girlfriends from college," she told us. "It hadn't really occurred to me to try it before, but when Tabby told me she'd done it and that her boyfriend absolutely loved it, I thought I might as well give it a try. I ran myself a hot bath, added a little bit of oil for good measure, and gave my bush a good soaking before lathering it up and getting to work with the razor I use for my armpits. It was actually pretty awkward trying to make sure I hadn't missed any bits, but by the time I'd done I was more than happy with the results – in fact I couldn't resist having a little wank there and then!"

And did your boyfriend like what he found down there when the time came?

"Oh, I didn't actually have one at the time, but I didn't waste much time in finding someone to try it out – and he didn't seem to have any complaints!"

We can imagine he didn't!

"Well, I certainly haven't had any problems in that department," she told us. "There used to be a bit of teasing when I was younger, but as I got older boys started to be a bit nicer to me! Maybe it was when they started to notice my boobs and it distracted them from my hair…"

Well we like your hair – it takes all sorts, and a bit of ginge now and again goes down a treat!

"Yes, that's true alright – perhaps that was the reason the boys started being a bit nicer to me!"

Ah, yes, that probably bid have something to do with it. You can't beat a bit of red head!

To look at her, you'd think Polly was a good girl, wouldn't you? I mean she's got a sense of innocence about her that's quite disarming, and when she turned up for this shoot we though we'd somehow booked the wrong girl – surely she was here for an advertising or mainstream modelling job? That flawless complexion, those delicate curves – would she really be getting her nadger out for a top shelf magazine like us?

Well as you can see for yourselves, the answer was a resounding "Yes!" – although even as it was happening we still couldn't quite bring ourselves to believe it. When she peeled off her bra to reveal those wonderfully pert titties we all looked at each other like morons, and once she started to wriggle out of her tight white panties we were all dumbstruck. Luckily for us Polly didn't seem to notice, happily posing away without a care in the world, and even giving us a good eyeful of her rosy bumhole along the way.

Finally she did notice how quiet everyone was, and asked if everything was OK. "I haven't really done this sort of thing much before – you will tell me if I'm doing something wrong, won't you?"

Frankly it's very hard to imagine a girl as stunning as Polly ever doing anything wrong – especially when she's sprawled in front of you with nothing on!

at him as I led him into the living room. He didn't say a word as I stripped him naked. He sighed softly as I ran my hands over his gorgeous body and gently stroked his big hard cock. He sat in the middle of the sofa and watched as I peeled off my bra and rolled down my hot pants. Totally naked I sat on his knee and as we snogged intensely I giggled as he fondled and squeezed my ripe young tits and fingered my juicy pussy until he's made me come all over his hand. Straddling his thighs. I rubbed my fleshy pussy lips over the swollen tip of Mark's throbbing erection before lowering myself down, gasping in pleasure as his thick shaft entered my tight pink cunt. As I slid my hole up and down his slippery pole he cupped my tits in his hands and licked and sucked on my large dark nipples. "Do you want to come in or on me?" I asked sexily, as I imagined what his daughter Elaine would think if she ever knew her dirty dad was shagging a teenage tart. "I'd love to shoot my come all over your pretty face, Claire, you filthy little slut" he replied. Climbing off him I knelt between his legs and wanked his glistening length as I opened my mouth enveloped my lips over the head of his cock. I sucked him off and stroked his spunk packed balls until I felt a trickle of salty semen slip down my throat. "I'm going to come, Claire," he yelled. Mark got to his feet and pushed his cock towards me, its bulbous helmet only millimetre from my face. As he furiously wanked his shaft I flicked my tongue over its tip and a few seconds later he grunted in sheer pleasure and I squealed in delight as his cock exploded, firing a full load of hot creamy spunk all over my upturned teenage face and tits and into my dark hair, covering me in the milky white fluid. Hoping for more, I squeezed his bell end and milked his wilting cock for all the jizz I could get.

Now I'm regularly servicing Geoff, Peter and Mark's lovely cocks in rotation – three older lovers, all of whom are my friends dads – I must be one of the luckiest and lustiest girls out there!

Claire, Inverness.

DEAR TEENS UNTAMED,

I've just come back from one of the best weekends of my life. I'd gone to this big music festival with a few of my mates from college and not only did I see some of my favourite bands playing, I also had my anal cherry popped!

It happened on the Sunday morning. I can't remember much about the evening before because I'd had so much to drink but when I woke up in my tent I felt a bit worse for wear. My mates had left me a note saying they had gone to see some act on the main stage but I appreciated being left to sleep off my hangover.

I thought I'd just chill out in front of my tent, it was a nice day and I could still hear some of the bands playing on a nearby stage. A few other people had the same idea as me, and pretty soon I got talking to this bunch of lads from up north.

Out of the group, Jamie, caught my eye. He was just over 6 foot, had dark hair and a really nice smile. We got chatting and I found myself flirting outrageously with him. To the point that his mates figured out what was going on and decided to leave the pair of us in each other's company.

I'm not usually so eager to get something on with a bloke I've only just met, but I had got into that festival spirit and couldn't miss an opportunity like this. Using the midday heat as an excuse I suggested we sit in my tent to cool off.

Of course, we hardly cooled off. As soon as the zip entrance of my tent had been closed our hands were all over each other's bodies. I was only wearing a skimpy pair of shorts and a cropped T-shirt so they came off in a flash and I found myself stark naked with Jamie.

I grasped at the waistband of his boxer shorts and pulled them down to reveal a stonking boner. I began tugging on his prick and wanted to take it in my mouth first, but Jamie took control. He spread my legs and positioned himself between them. Then he teased my pussy lips with his knob before leaning forward and sinking the whole length inside me in one swift stroke.

My pussy throbbed with the intrusion but Jamie's subsequent thrusts were gentle. I wrapped my legs around his and occasionally gasped with pleasure as his cock slid inside me.

It seemed like he was fucking me in this position for ages – not that I was complaining since it felt great! – but just when I thought he was about to shoot his load he pulled out.

"Turn round on to your hands and knees," he ordered. I obeyed and raised my behind high in the air for him. Looking back over my shoulder I saw Jamie spit into his hand and then he ran a saliva sodden finger down my crevice until it reached my ring piece.

When Jamie smeared my brown hole with his spit I knew what was coming next. I hadn't taken anything in my behind before, and didn't think I ever would. That was about to change. He pushed his bulbous head against my hole and sank his prick up my arse.

It was a strange sensation. Slightly uncomfortable at first but as I felt every inch dig deeper in to my backside I began to enjoy it.

The strokes soon accelerated and with his hands gripped on my waist Jamie gave me a right arse pounding. I shuddered with every hard thrust in my rear and winced when he slapped my arse cheeks. To be honest, I was really starting to enjoy the experience but then as quick as it had started, it was over.

When his arse pumps had reached their height Jamie whipped his prick out of my back hole. As I felt my ring snap tight again, I also felt a shower of hot sticky cream being fired into my crevice and over my back.

Shattered from my first anal experience, I collapsed on to my sleeping bag. Jamie lay beside me and stroked my bum, rubbing his jizz into my skin until I fell asleep.

I was woken later in the afternoon by the return of mates and to my annoyance Jamie was not by my side. I decided not to tell my friends what had happened. Or at least I tried not to tell them until I got really pissed later that night and blurted it out!

Kerry, Dover.
